UPCOMING GAMES

WELCOME TO ROUND 3 AT THE FURNACE

Welcome to last years SBL champions, the Geraldton Buccaneers for what is sure to be a great West Coast Classic battle.

First of all I would like to wish Buccs player Liam Hunt all the best after a nasty leg injury last week. Liam is not just a great player but a great bloke and all the Suns were upset to hear that he could be spending extended time out of the game.

The Buccs even without Liam are a tough team with serious size and ability. As well as the important winning experience. Sharp shooter Aaron Ralph can put up huge individual numbers as can Bardon Ingar and Jesse Hunt. It is also great to welcome back one of my favourite imports Carter Cook. Carter has always caused my teams match up problems and his smarts means he always utilises his abilities at the right time.

Our guys have had a rocky start to the year as we settle into a number of slight changes for the season. We know in the long run these changes will make us a better team and it is important to persevere.

On an individual front Cooper Lowe has demonstrated his improved development and Ryan Blanchett has been solid for us. We have also had the chance to play first year players Dyson Lowe and Brayden Rumsley.

I hope everyone enjoys today's game and we get the win! Finally, a big thanks to all those that helped with the Kal trip last week in difficult times, Moz Lowe, Craig Bell and the Suns management. I especially want to thank our manager Shane Lowe who I had the pleasure of bonding with on a bus for 15 hours on the way back.

GO SUNS!

CAPTAINS REPORT

Happy Sunday Suns fans!

It's great to be back at Ray Owen for today's game after a long trip to and from Kalgoorlie last week. Unfortunately we couldn't get it done up there and secure a much needed win.

This season has not started the way we would have liked, but we are very confident that in the next few weeks we can string together some great games and return to a winning record once again.

It was fantastic to see Braydon Rumsley and Dyson Lowe score their first points in a WCC/SBL game last Saturday night, one of the positives from a tough round, they will no doubt continue to grow and have an impact into next year.

Lastly I wanted to wish Liam Hunt a speedy recovery after an unfortunate injury last week. From the entire Suns organisation we wish him well and will be hoping he can return for the 2021 season. All the best mate.

GO SUNS!
