

# Kidsport Funding Eligibility in Kalamunda & Districts Basketball Association's Programs

## Introduction

Kalamunda & Districts Basketball Association proudly supports the Kidsport funding initiative, designed to help children participate in organized sports. This document details the eligibility of our various basketball programs for Kidsport funding.

## Eligible Programs

### Domestic Basketball Programs

Our domestic basketball programs are eligible for Kidsport funding. These programs offer children the opportunity to engage in regular basketball activities, develop their skills, and enjoy a supportive team environment.

### WABL (Western Australian Basketball League)

Our WABL programs are also eligible for Kidsport funding. The WABL provides a competitive platform for young athletes to advance their basketball abilities and compete at a higher level within a structured league.

### Aussie Hoops

The Aussie Hoops program, which introduces young children to the fundamentals of basketball in a fun and engaging way, is likewise eligible for Kidsport funding. This program is perfect for beginners looking to learn the basics of the sport.

## Ineligible Programs

### Fun Camps, WABL Camps, and WABL State Championships

Unfortunately, our fun camps, WABL camps, and State champs do not qualify for Kidsport funding. According to Kidsport guidelines section 3.1.3, to be eligible for funding, a program must be no less than 8 weeks in duration. These camps and championships, being shorter-term events, do not meet this criterion.
